

MARITAL MISSION STATEMENT

*Our marriage will serve as an example for others,
especially our children and grandchildren.*

WE AGREE... to stay connected, committed and to communicate to each other through our love languages using trust, respect, and honesty at all times, especially where it is difficult and valuable.

WE AGREE ... to hold on to and love each other through the difficult times especially when we don't agree by expecting and returning the assurance of listening with our hearts and pausing when we are distracted within ourselves.

WE AGREE ... to have a relationship which is based upon friendship and mutual respect for each other, where we value and respect each other's independence and personal growth and lean on each other for unconditional support.

WE AGREE ... to strive to never take each other for granted and not allow others to do so for either ourselves or each other.

WE AGREE ... to work hard to provide a comfortable life for ourselves and each other in working years and retirement by being financially responsible to each other, live within our means and share all financial decisions.

WE AGREE ... to travel, learn, create lasting memories and enjoy life's experiences to enrich our lives personally to remind ourselves of the strong, successful couple we know we are.
